Please note:

1. Refrain from buying colourful versions of Pritt and erasers. These tend to leave marks in the books.
2. Buy a sturdy ruler that indicates mm and cm. Do not buy bendable rulers as it is difficult to measure accurately with them.
3. Do not buy pencil bags or cases that are very big, as they take up too much space on the desks.
4. Please mark all stationery clearly.
5. Stationery needs to be topped up during the year.
6. Exercise books must be covered with paper when learners come to school. The school will provide cover pages for each book. Books must then be covered with clear plastic.
